

Mwantalasha Village Education Project (Reg Charity 1187502)

What do we do?

Education - We provide school uniforms, a midday meal and school requisites (books, pens, paper) for Children in the village of Mwantalasha (Chongwe) in Zambia

State school fees (which was 10% of the amount we ask for each month) were abolished in January 2022.

How much do we ask?

We ask for £10 per month (or £30/quarter; £40/term; £120/year) by bank transfer.

All of this money goes to fund the children's Education. £1 per month is set aside for further education or skill training when the children leave school.

What do we do?

Care - We are grateful for additional gifts and these are used to improve the welfare of the children and their families such as building toilets, providing food during the pandemic, paying medical costs, sending clothes and toys each year, providing for a village Christmas party

When do children leave school?

Many children have missed school because their parents could not afford the costs of state education. There are 7 years of Primary schooling, an exam to go to Secondary School, a further exam in year 9 to move up to Senior school and a final exam in year 12.

The brightest students may be offered a place at a state boarding school with far higher education standards. We support any child who is offered a place at this school.

We have a closed Facebook Group

We will provide a postcard with a picture of your child and a short biography.

Our Zambian partner encourages children to write to sponsors at least once a year.

And that is why we have children in the programme but without a sponsor. Once you select the child, we will add another one to the programme
